

Bureau Veritas Certification Profile

Bureau Veritas Certification, formerly BVQI, is the world's leading certification body with 80,000 clients in over 100 countries. Relying on a large pool of 5,700 highly qualified auditors, Bureau Veritas Certification provides a comprehensive range of certification and auditing services. Our core activity is validating the conformity of management systems and processes. We conduct audits against recognized standards, which may include customer specific requirements, in the fields of Quality, Health & Safety, Environment and Social Responsibility. Continuous improvement is promoted through follow-up audits.

Bureau Veritas Certification is strategically positioned to deliver innovative solutions to our clients' demands for more value added services that are global, seamless and integrated.

We provide sector-specific solutions in key industries such as Aerospace, Automotive, Agro-food, Railways, Chemical.... Our expertise enabled us to create VeriCert®, the Risk-Based Audit Approach of Bureau Veritas as well as VeriSelect®, the certification of services of Bureau Veritas.

Bureau Veritas Certification has been selected as the Certification Services Provider of choice by world class companies. Our expertise is recognized by more than 35 national and international accreditation bodies.

Bureau Veritas Certification is the independent certification body of Bureau Veritas. Founded in 1828, Bureau Veritas is an international group with a core business of conformity assessment, applied in the areas of Quality, Health, Safety, Environment and Social Responsibility (QHSE-SR)

Bureau Veritas serves more than 280,000 customers throughout the world. In 2006, present in 140 countries with more than 700 offices and laboratories, Bureau Veritas revenues were more than 1.846 billion euros. Bureau Veritas employs more than 26,000 staff including many experts. Bureau Veritas is recognized and accredited by the largest national and international bodies.

• Mark of global recognition

Our certification mark is globally recognized as a symbol of commitment to excellence, sustainability and reliability. This is conveyed through the 100,000 certificates successfully delivered to our more than 80,000 clients.
